Step to Safety

About Us

Union Technical Trading & Supply Co. is formed with an aim to be the leader in providing quality Products & Services to all sectors in Oman.

The focus has been on providing quality and customised products & service within the best stipulated lead time. Thus ensuring complete customer satisfaction, through its association with pre-eminent brands in these industries and an up-to-date service team. We maintained an international perspective, and are abreast with the latest developments and technology.

We are strongly committed to meet the objectives by closely working with our customers in providing Innovative Technology based solutions and engineered products for mutual benefit. We believe in delivering quality products and services.

We choose to be different
Provide our service with a smile.

Meet the
mission
with a smile

Our Vision

To be the most trusted and first choice to provide quality products and services with complete responsibility.

Our Mission

To understand customer's needs in today's competitive marketplace and deliver customised solutions in order to meet their total satisfaction, thereby striving to be visibly different while updating and re-engineering our business with the changing times to achieve global recognition through innovative quality products and services.
